

UV Instant-Cure Line Marking

Downtime costs money. Discover a better way – we are proud to be able to offer the complete range of revolutionary Rapid Shield instant floor coatings by Quaker.

Rapid Shield instant floor coatings bring the evolutionary benefits of UV technology to the warehouse floor, delivering an immediate cure that allows manufacturers to return to normal operations – even heavy fork lift traffic – in just hours instead of days.

- Dries instantly – minimised downtime
- Zero VOC's making it ideal for food environments
- No solvents
- NSF certified food safe
- Skid- and tire-mark resistant
- Chemical- and stain-resistant
- Guaranteed non-flammable
- Low odour
- Available in a range of colours
- Can be applied in chillers or freezers with temperatures as low as -26°C

**MAJOR
COST & TIME
SAVINGS!**

“Our vision is to be the supplier of choice for warehouse and industrial identification, safety systems and associated products, offering clients a quality-driven, total solution via multi-channel procurement methods.”

Tony Gresty
Managing Director – Warehouse Partners
