

# Load Notice Designer

**Warehouse Partners have developed a completely automated Load Notice Designer website that enables manufacturers and distributors of storage equipment to automatically design and order UK standard load notice signs to SEMA standards.**

All users benefit from the designs that comply with associations recommendations and current regulations.

The system also allows the user to make totally bespoke signs or partially bespoke load notices by uploading your own designs to the system and allowing us to print them in a choice of three sizes.

- First time user – 1,2,3 Offer
- Error Free Guarantee
- Free setup and artwork
- Free ongoing telephone support
- Saving hours of time
- Automatic system works 24 hours a day
- Upload your own designs
- Easy admin – monthly billing/statements
- Usually delivered within 24-48 hours
- Easy pricing policy
- Tough plastic construction
- Full industry standard designs
